I request that payment of Medicare and other insurance benefits be made on my behalf to Internal Medicine of Williamsburg and authorize the release of medical information to requesting insurance companies or government agencies to determine these benefits. I understand that regardless of insurance coverage, payment for services rendered is my responsibility and I agree to pay all expenses incurred in the collection of delinquent accounts, including interest of 1.5% per month, court costs and attorney's fees. Notice of deemed consent to HIV or Hepatitis B or C testing

A law was enacted in Virginia which authorizes Health Care Providers to test their patients for HIV antibodies or Hepatitis B or C viruses when the Health Care Provider is exposed to the body fluids of a patient in a manner which may transmit Human Immunodeficiency Virus (HIV or Hepatitis B or C viruses.) Pursuant to this law, in the event of such an exposure, you will be deemed to have consented to the release of the test results to the Health Care Provider who may have been exposed. However, you will be explained the test results and you will be given the opportunity to ask any questions you may have. The purpose of this is to inform you of the Virginia Law.

I have read the above and understand.
